## Fury Chapter 2

## Synopsis

## Credits

A world where humans, beasts, demons, gods, drag on a perpetual fight for supremacy. A war where great beast warriors of the 81 Mountains, the dragons breathe their own in the sky, and the demons were that belted into the angel troops battle. A violent blood world, who leave the blood of the human, demon and beast, went through battleships that no other people had, and has announced what was potential. He is destined to reconstruct the three phases of this world, and also tried to have an exceptional heart-wrenching love life.
